WE NOMINATE

Ralph Clark Chandler, Associate Minister of the two-century old First Presbyterian Church of Princeton and a part-time lecturer in Princeton University's Department of Politics, who has been suddenly catapaulted into the community's consciousness as the Republican Candidate for Congress in the new Fourth Congressional District of New Jersey. It is the consensus of veteran Republican leaders, and of those who know Chandler well, that this 32-year old native of Florida with no first-hand experience in politics is well qualified to join battle with Democrat Frank Thompson Jr., the eminently able and well tested Representative of "The Old 4th."

Only a decade away from his senior year at Florida's Stetson University, where in 1956 he was voted "Outstanding Senior Man" in his graduating class, he has fared well in his first 10 days of exposure as an avowed vote-seeker. Chandler has handled the press effectively, has parried reporters' questions skillfully and has caught their eyes and ears with his ability to "turn phrases." For example, in discussing his willingness to represent State and Church, he recalled one of his seminary teachers, theologian Reinhold Niebuhr, who once asserted that many are interested in both the church and politics because "both are concerned with the same problem — how human beings live in community."

Following his graduation from Stetson (Deland, Fla.), Chandler, now the father of five, spent four years with the United States Navy. According to his newly issued and crisply written "campaign biography," he was Commanding Officer of the Naval and Marine Corps Reserve Training Center in Kansas City, Mo., and in this capacity "was for two years the youngest officer in the Navy to hold a major command." Upon his return to civilian life in 1960, he "went back to school," combining graduate and professional training at Rutgers and Princeton and Union Theological Seminaries with gaining practical experience in his two areas of concern, religion and politics.

The range and depth of Chandler's non-religious interests are clearly mirrored by the assignments he has held over the past five years. In 1961 he was on the staff of the Psychiatric Institute of the Yale University Medical School and the following year was Scandinavian Desk Officer in the Office of the Assistant Secretary of Defense (Washington) for International Security Affairs. In 1963, as a Fellow of the Eagleton Institute of Politics at Rutgers, he wrote "The New Jersey Legislature," a definitive study of the state legislature carried forward at that body's request by the Rutgers Institute. On the basis of this study, he was selected to serve as Parliamentarian of the New Jersey General Assembly in 1964.

As engrossed as he was in his work at Rutgers and in the ensuing duties in Trenton, he resumed his theological studies and moved his family to Princeton Township. Last fall, some six months after he had earned his bachelor's degree at Union, he was ordained here and became the First Church's Assistant Minister. In the weeks and months ahead, Chandler, described by one of his Cherry Valley Road neighbors as "the longest-working guy I have ever known," will be given leave from his responsibilities as Associate Minister to concentrate on one of the major roles he will be playing "in the Year of Our Lord 1966."

For bringing to his search for high elective office "breadth of experience and commitment to the American way of life;" for feeling that his candidacy may help strengthen the two-party system in New Jersey and in the Nation; for his involvement "in the things that are happening in our times;" he is our nominee as

TO RUN FOR OFFICE

Eight Sign Up. New names on the ballot and new faces in the election advertising — that's the prospect for Princeton this fall.

All eight candidates for Borough Council and Township Committee are non-incumbents. The two councilmen whose terms expire Joseph R. Strayer, Democrat, and Ellwood W. Godfrey, Republican) and the two Committeemen whose terms expire (Russell Mount and Walter B. Foster, both Republican) decided not to run again.

Here's the slate:

Borough: Republican candidates for Council are Charles W. Cornforth and Fred M. Blaicher. Their Democratic opponents are Dr. Leonard M. Berry and Robert M. Hendry.

Township: Republican candidates for Committee are David S. Thompson and John D. Wallace. The Democrats are Mrs. Rowan Boone and George Goldsmith.

Primary election day is Tuesday, September 13, and voters will have a chance to endorse the candidates of their choice at that time.

A Lady in the Lists. Interest in this year's campaign centers on Mrs. Boone who is the first woman to run for Township Committee. Township Democrats tried to convince her last year she should run, but the commitments she had at that time ruled out a candidacy.

"Committments" for Mrs. Boone is not a word lightly spoken. A resident of Princeton (Greenhouse Drive) for 16 years, she has been a vital force in many vital areas of community life. Her mainspring of interest is young people and she is a member of the Juvenile Conference Committee.

Five years ago, she founded YES, the Youth Employment Service and although she insists that credit for its organization should go to others, the original idea was hers.

Currently, she is president of the Princeton Study Center. The Center was her idea, too. "I talked up the need for a place like the Center for two years before anyone would listen to me!" she recalls with a smile.

Where There's a Need. . . As president of the Center, she spent the day in Trenton last Friday talking with officials in the poverty program in the hope of obtaining Federal funds for the Center. Mrs. Boone wants to start a program for adults in Princeton who have never learned to read or write.

"There IS a need in Princeton for an adult reading and writing project," Mrs. Boone emphasized. "I know illiterate adults. One woman, for example, always buys a daily paper uptown and carries it conspicuously so that people will think she can read. It's a delicate problem to solve because people are proud, but there is a need."

As a member of the Employment Committee of PAIR (The Princeton Association for Human Rights), Mrs. Boone has spent the last year trying to get Princeton residents into a manpower retraining program. Men and women are eager for training as auto mechanics, machinists, short-order cooks or electrolysists, but red tape keeps the program from starting.

"I made a noise about all the delay, and the unfairness it means for people who want to learn," she says. "I talked to a state official in the Division of Employment Security, and I got some results . . . You see, politics is really an important part of what I do!"

Mrs. Boone decided to run for office because she felt that she would represent a different viewpoint, what she calls a "different background of involvement" on Township Committee.

"I believe very strongly in our kind of government," she says. "After all, what does our sacrifice in Viet Nam mean if we don't serve when we're asked?"

Mrs. Boone, a Bennington College graduate, is the

That Pocketbook. Candidates running for office in Princeton this year have a strong common denominator of interest and expertise in money matters Even Mrs. Boone, who is not a businessman, says firmly, "I have a keen interest in people's pocketbooks."

One of the retiring Borough Councilmen, Dr. Godfrey, has been Council's finance expert. One of the Republican candidates, Mr. Cornforth, has established a firm reputation over the years as citizen gadfly on money and budgets.

Mr Cornforth, 71 Westcott Road, is an engineer with a master's degree from M.I.T. He's assistant industrial relations manager for Public Service and his hobby seems to be municipal budgets.

In his gentle Tennessee accents, with his courtly southern manner, he will arise in Council chamber during budget hearings to ask "Why this increase?" and "May I respectfully ask how you arrived at this figure?" He also appeared frequently at public meetings during the recent school merger debates, asking questions about the finances of regionalization.

His running mate, Mr. Blaicher, of 10 Boudinot Street, is president of Palmer Square Inc., and was assistant director of athletics at Princeton University for 11 years.

As an active Princeton businessman — he was president of the Chamber of Commerce and is now on its Board of Directors — he feels that the business community needs a voice on Council.

"That's the premise on which I was anxious to run," Mr. Blaicher explains. "Except for Jack Redding and Harry Farr some years ago, the business community hasn't had much representation on Council.

"We have to keep a healthy tax base in the Borough," Mr. Blaicher asserts, "it's important to keep the business community healthy because if business goes down the drain, it affects the tax rate of everyone.

"There is no greater need at present than parking garages," Mr. Blaicher adds. PSI isn't doing anything concrete about its own announced plans for a parking garage on the Playhouse parking lot until

NEED YOUTH OFFICER

Full Time In Borough. A juvenile officer who works part time isn't enough, Borough Mayor Henry S. Patterson was told on Tuesday afternoon. Juveniles cause fully 50% of the police problems.

Civic group representatives who came to Borough Hall at the mayor's request urged that police assign a man to work full time on juvenile matters. They cited problems of loitering, gangs who come in cars from the surrounding areas looking for Princeton boys to beat up, drunks on street corners offering wine to juveniles, parents who back up their child's defiance of authority, dope addiction, drinking, possession of switchblade knives, the frequent unavailability of the part-time juvenile officer, parental uncooperation and the noticeable increase in the number of Negro youths who are getting into trouble.

Kids' Friend. We need, they said, a full-time juvenile officer who will get to know the kids. Only about five men on the force know who the troublemakers are. Maybe he should be a Negro officer.

"We need a policeman who will talk with the kids," a woman said, "joke with them. Since I have been in Princeton, Lt. Maguire and Mr. Kuhn were the juvenile officers. The kids could take a problem to them."

They felt that the juvenile officer should meet with parents when he gets an intuition of trouble head "so the parents won't think their child is being picked on. Then the police department later would not have to say the child had broken a law."

Social Worker? The exact areas of a juvenile officer's duties came up for definition. Is he a babysitter for working parents a social worker, a probation officer?

If juveniles commit a burglary, is the case to be moved from his area to the detective force? How can a Borough juvenile officer keep a continuing relationship with children kindergarten through 12th grade under school mergers?

The consensus seemed to be that he should have regular hours (10 a.m. until 2 p.m. and 6 p.m. to 10 p.m. was suggested as a working day), that he is not parole officer or a social worker "but he should be backed up by a "walking social worker, who picks up where the policeman leaves off." Juvenile burglaries and other crimes should stay within his jurisdiction.

"The juvenile officer," one man explained, "is there because of a breach of law. The violator gets special treatment. There is no court record. After a disposition of the case is made, this is where the social worker could come in."

For some, this was not enough. A juvenile officer also does preventative work through his relationship with young people.

Curfew? The Borough has an ordinance calling for a 8:30 p.m. curfew for youngsters under 16 from the last Sunday in September until the last Sunday in April. The hour is 10 p.m. in the remaining months.

Exception is allowed when a child is accompanied by a parent or authorized custodian. The curfew requires the sounding of a warning bell or siren.

This ordinance has never been enforced. It would require cooperation by the entire community. It would also punish the majority for the few, it was said.

Similarly, the loitering ordinance on the Borough books is regarded by a number of attorneys as unconstitutional.

Suggest Commission. The group suggested that the mayor form a juvenile study commission to investigate ways that other municipalities are meeting youth problems. The Teaneck Municipal Youth Guidance Council was mentioned.

Also, that there is a need for a person, "sort of a community catalyst," to draw up community resource people to work with a juvenile officer.

It was suggested that Princeton Seminary students may be interested in doing field work with Princeton teenagers.

A need for a place where youngsters can congregate brought up the experience of "The Tomb." "They don't want to do the so-called whole-some things. They're tired of meeting people's standards. They try all day, and they want a few hours off." The Borough Engineering building across from the new Public Library was suggested as a teen lounge, since the Engineer's offices will move to the new Borough Hall.

In separating problems of juveniles from those of juvenile delinquents, the group concluded that it was talking about approximately 5% of the youth population who reject all authority.

Although they had been called together to comment on the need for a juvenile officer, the group returned again and again to the problem of how to reach negligent parents. Is it the responsibility of elected officials, such as Mayor and Council? or the juvenile officer? or social workers? or the school? The answer, seemed to lie in community action.

"This is a broad-scope problem."

Present at the session were the Rev. Edward C. Henry, St. Paul's Church; Mrs. Edward Smith, First Baptist Church; Mrs. H. W. Leverens, Princeton High School PTA; Harry W. Morton, Mrs. R. E. Edwards, chairman, John - Witherspoon Civic Association; Kenneth A. Wells, 61 Harriet Drive; Kenneth Michael, principal of Princeton High School; James Kopliner, Juvenile Conference Committee; Richard Redmond of 31 Leigh Avenue.

Hulit, Princeton Joint Recreation Commission; Donald Barr, executive director of the Recreation Commission; Councilman William W. Walker, Borough police commissioner; Mrs. Estelle T. Johnson, Hagaman Homes Civic Association; Councilman Alan Carrick, Thomas A. Moore, Regional Board of Education; Police Chief Peter J. McCrohan; the Rev. HOUSING FOR THE ELDERLY: A harmonious grouping of one and two-story buildings surrounded by trees will characterize Lloyd Terrace, the Borough's new Harrison Street housing project for the elderly residents. Architect Charles Agle has designed the units to be constructed of brick and wood. The small white circle (upper right) is a six-foot high enclosure to conceal garbage cans. Benches to conceal garbage cans. Benches of wide natural wood slats will be placed at convenient points throughout the area. The street circle at the top is the end-de-sac formed by extending Spruce Street into the project. There will be no exit to Harrison.

An Accountant Files. A Democratic contender for Council is also a strong man in the financial department. Robert Hendry is a manager of accounting at RCA and past president of the Trenton Chapter, National Association of Accountants.

One of Mr. Hendry's assignments from RCA has been to serve as company representative and observer at meetings of the West Windsor Planning Board and the West Windsor Township Committee.

"I received a silent education in politics," Mr. Hendry says, "and I have quite a feel for the problems of a growing community."

Mr. Hendry, who lives at 15 Chestnut in the Borough's heavily Democratic Fourth District, is the son-in-law of James Hogarty, long a figure in Princeton life. A graduate of St John's University in Brooklyn, Mr. Hendry is a Commentator at St Paul's Church in Princeton.

Dr Berry has been a Council candidate once before, in the elections of 1959. He has been too busy practicing medicine to run since that time but he still has the same concerns for children and recreation.

"I remember that during the 1950 campaign, I urged the town to build a community swimming pool," he recalls. "Well, it's taken 16 years!"

Dr Berry says he is running for office "because I would like to do something for the community I have lived in for a quarter of a century."

Dr. Berry is deputy coroner for Mercer County.

Old Hands. The Township's two Republican candidates share the distinction of being first in line: both Mr. Thompson and Mr Wallace filed their nominating petitions back in June, a good two months before last Thursday's legal deadline.

Both candidates are familiar with Township problems. Mr. Wallace, who lives at 100 Bracburn Drive, is vice-chairman of the Township Planning Board and was a member of the Citizens' Advisory Committee on a Township High School. He was on the United Fund Budget Committee, also. Mr. Wallace is an officer in the trust department of First Trenton Bank.

His running mate, David S. Thompson of 26 Rollingmead, is director of development for Princeton University. He has served as Township tax collector.

George Goldsmith, running on the Township's Democratic ticket, lives at 27 Longview Drive, and works at RCA where he is a physicist.

Mr Goldsmith has been active in PARE since the organization was formed and has been particularly concerned with vocational instruction at the high school. He was a member of the Citizens' Committee on a Township High School and served on its curriculin sub-committee.

August Nightmare

I never dreamed,
In cold, wet May,
That my front lawn
Would look like hay . . .

The lush green that the cool, wet spring produced has vanished. Rainfall this summer is far below normal — so far in August, there has been no measurable precipitation.

As a result of the high humidity that has been with us this week, showers are a daily possibility — but there is still no soaking rain in sight. The temperature will dip from a high near the 90's to slightly below normal through the coming weekend.

AFTER LIBERACE, WHAT? Four Seasons F.P. & M. Assuming that anything could follow Liberace, The Four Seasons and then Peter, Paul and Mary will do so at the Lambertville Music Circus in mid-August.

Liberace and his piano will star at the big tent through Sunday, with performance times at 8:30 p.m.; 6 p.m. and 9:45 p.m. Saturday and 7:30 Sunday.

Next Tuesday and Wednesday, The Four Seasons will be on hand, and next Thursday to August 18 — through August 21, Peter, Paul and Mary will be the Music Circus attraction.

EYES ACROSS THE RIVER. British Comedies, "The Private Ear" and "The Public Eye," a pair of English comedies, will continue to amuse at the Bucks County Playhouse, New Hope, through Saturday, August 20. Dick Shawn stars in both.

Afterwards, Anne Jackson will come to town to star in a revival of S. N. Behrman's witty comedy of the '30's, "Biography." This will open on Monday, August 22, and run through September 3.

In "Biography," Miss Jackson will portray a giddy and inhibited artist who decides to write her biography for national publication. A Broadway revival of the play is scheduled for next season.

ASSAULT ON A QUEEN: an exciting and ingenious tale of modern piracy on the high seas, with the liner Queen Mary as the target, opens this week at the Garden Theatre. Frank Sinatra and Richard Conte are among the all-star cast.

News Of The Theatres

—Continued from Page 5

present the best songs from his various musicals.

He wrote the score for Gertrude Stein's "What Happened," given at Sundance in 1964, and has composed music for plays by Rosalyn Drexler, Maria Irene Fornes, H. M. Koutouxas, Ruth Krauss and George Dennison. His music earned for him an "Obie" Award.

Tickets to Sundance are $2.50 ($1.50 for students). They may be reserved by calling 215-847-5303.

NOEL IN MIDDLEBUSH

"Private Lives," Noel Coward's witty comedy "Private Lives," amusing in 1930 and equally so today, will play through August at the Villagers Barn Theatre, Middlebush.

"Private Lives" skims over the matrimonial problems of Elyot and his exwife Amanda, Divorced because they cannot live with each other, they marry again only to discover they cannot live with any one else. The play takes place as each is on a second honeymoon with a second spouse.

The Villagers Barn Theatre is Colonial Farms, in Middlebush. The final performance will be given Sunday, August 22.

GARDEN

Assault on a Queen (now playing) This is a summertime melodrama involving Frank Sinatra and Virna Lisi in a plot to rob the Queen Mary on the high seas.

The piracy project begins as a search for sunken treasure by ex-submarine officer Sinatra and his buddy Errol John. They find instead a German submarine resting on the bottom. Financed by Miss Lisi, the submarine is raised and repaired. Sinatra then finds himself the fall guy in the fast moving attempt to rob the Queen Mary.

The plot is slow in getting under way, but the pace picks up and the boarding of the liner is very suspenseful. Also figuring importantly in the film are Richard Conte as the mechanical genius who makes the submarine operational and Tony Franciosa as Miss Lisi's fellow traveler.

Photographed in Panavision and in color, both Miss Lisi and the Queen Mary fill up the screen very nicely.

PRINCE

Who's Afraid of Virginia Woolf? (now playing) is a grim sordid, emotionally powerful picture, transferring Edward Albee's long-running stage hit to the screen without less of impact.

It is far-and-away the best Elizabeth Taylor-Richard Burton achievement to date. It also establishes a new high mark in the use of foul language in films.

The picture tells the story of a night-long drinking party given by a middle-aged college professor and his frustrated wife. Their guests are a young professor who is new to the faculty, and his wife. In the course of endless drinking, joking, lying, laughing, quarreling and telling-all the many-sided characters become revealed.

Miss Taylor's portrayal of the blowsy, vulgar wife is the best performance of her career. Burton's version of the harried history instructor is a textbook example. George Segal and Sandy Dennis contribute mightily in the supporting roles.

The film stands to satisfy all manner of adults — those who are continually seeking the different entertainment, starkness in drama, the thrill of illicit romance, the shockingly real language that lashes out, etc. It keeps viewers off balance because by the time one situation subsides, another is brewing.

PLAYHOUSE

Torn Curtain (now playing) Suspense creator Alfred Hitchcock concentrates more on espionage and chase than on horror and murder in this film. The cast is headed by Julie Andrews and Paul Newman.

The story itself is not to be

HIGH FASHION

Low Heel. Sturdy matrons who have been complaining for years about high and spindly heels will have it their own way this fall because heels on the newest, high-fashion shoes are good, square, low, solid and down-to-earth.

At the same time, the new shoes have a delicious air of youth. They are both solemn and young, rather like long, straight Alice hair.

Nassau Shoe Tree is the express stop for these wonderful little shoes. We'll start by showing you Gamin's black cobra with low walking heel, low-cut vamp and a saucy little tongue against the instep. (A bag matches.) Another cobra, this time by Caressa in brown, has that one-inch no-nonsense heel — they call it an English heel — with a comfortable sling back and a self buckle in brown leather at the side.

The black calf pump has a low, set-back heel, a very round toe contrasted with a square bow, and a low-cut vamp. A charming little shoe in olive is soft as a ballet slipper with rounded toe and a knotted shoestring of olive leather at the back of the heel and at the rim of the low vamp. You'll just have to dance!

The Louis heel, after an in-again-out-again life, is back in again. Mademoiselle used it on "Corsage," a square-toed shoe with crushed leather bow and deeply indented Louis Heel. Shoe Tree shows it in black and a deep red plum.

Caressa comes forward with a heavier midheel to meet fashion's demand for weight and breadth. This shoe has a low-cut vamp with narrow leather criss-cross straps. Caressa appears again, in a gunmetal grey, sling backed with modified Louis heel and a stand-away square buckle outlined with nail heads.

The "Toreador Red" by Caressa (comes in deep brown, too) has that leather tongue extending up the instep, a grosgrain bow and sling heel. Can't imagine a better shoe for walking, but Caressa thinks you may like the butter-scotch pump with spectator toe, low set-back heel and self flap over the vamp.

The square Pilgrim buckle stands forth again in a dark terra cotta with round toe and low heel. The buckle is edged with brushed brass. A narrow "spectator edge" of putty leather rims a black shoe with English heel and foam slip between the shoe and its lining for extra comfort and fit. The putty strip is perforated so the black shows through.

You'll have three colors to choose from and a bag to match each, when you look at Shoe Tree's walker in soft green, black or teal cobra. The straight, heavier mid-heel complements the buckle with its philine effect and the strip of matching suede right up from the toe.

An alligator pump has the rounded toe and square throat, with a buckle outlined in calf. It's a soft shoe, made from young skins.

GOT A WREN?

Gourmet Has The House. If it isn't a wren house, it ought to be. Gourmet's Danish ceramic bird house in dark, striated chocolate looks like a little helmet. You expect a one-eyed gnome to peer out of the little hole. Each one is different. You know how choosy wrens are.

To keep summer buffets well screened, Gourmet has a set of three oval screens domes, and we mean SCREEN. Like a porch. One is red, one olive, one blue. That'll show the flies who's boss.

You are, meanwhile, keeping cool in an insulated bucket covered with a treated striped canvas in red, brown or black stripes. Looks like an old-fashioned bathing suit. And you'll love the pergola tops.

It's an ashtray by day, a hurricane lamp by night. Heavy, heavy cast iron is shaped like a man's boater

Larded Lately?

If your kitchen has everything — including a professional cook — you'll want a larding set from Princeton Gourmet.

The set, which also includes trussing needles, comes in a case made like a broom handle. It unscrews in the middle to let all the needles spill out and there must be more than a dozen.

Cooks will know what to do with them all. Besides the trussing and larding needles, by the way, there is an injector to use for introducing butter into the insides of things. Chicken a la Kiev?

turned upside down. Stub out your stub on the rim of the hat. At night, insert a small candle into the hat and put a little smoky glass hurricane on it. Whoe thing stands about seven inches high, with hurricane.

The Grandma coasters (don't ask us why the name) are heavy absorbent paper circles, usable again and again. Each one has a different design: grandma herself circa 1910, a sailor's face (cartoon style), a pup and all kinds of flowers and geometrics. Reversible, 48 for $2.50.

Gourmet has brought back from Denmark a sort of automobile, if you'll pardon the pun. It's a mobile made out of thin gaskets which the designer has scrounged from used-car lots, if you can believe it. These metal disks, rather like clock faces if all 24 hours were included, are suspended on fine wires. One little gasket about three inches in diameter swings happily with larger ones suspended to swing in a different plane.

Almost as imaginative is the cat mobile. It's an embroidery

taken seriously, but with tongue-in-cheek. It concerns an American nuclear physicist (Paul Newman) who ostensibly defects to East Berlin but is really a counter spy. His lovely assistant and fiance (Miss Andrews) believes him a traitor.

The old Hitchcock verve first firmly asserts itself in a bizarre scene in which Newman and a fellow spy — an East Berlin farm woman — try to polish off a Communist agent who is about to expose them. But the hapless man won't die, so they stick his head in the gas oven. More easy to enjoy without wincing are some later episodes in the game of wits between Newman and Ludwig Donath, cast as an East Berlin scientist. There is a wild bus ride the type of incident on which Hitchcock's reputation for meshing suspense and comedy is so justifiably based.

Other colorful characters include the Communist agent who once lived in New York and likes to use "American" slang, and a vain and peevish ballerina.

There are good performances, fine color camerawork and musical score.

It's New To Us

hoop of very thin yellow wood. Two cats, outlined in the thin wood, swing inside the hoop. Delightful silhouettes with both these unusual mobiles.

Then there's that leather monkey! He has been cut from a single piece of leather, just as you'd peel a lemon, to fact, his long tail looks just like lemon peel — honest! The reflex curl of the leather brings feet and paws together and he has a silly old smile made from a leather circle.

Once you get on a track, it's hard to get off: here's a napkin ring, also made from a single spiraling piece. This time it's thin, dark wood. Those Danes!

When you gather your fall flowers and decorative cat-tails, buy several of Gourmet's wonderful Swedish vases. The most impressive is giant tear-drop almost two feet high in a smoky blue like autumn haze. Bubbles and streaks within the glass make it so dramatic it really doesn't need stems and leaves. There are smaller sizes, too, including a little one with a small neck.

Tall cylinders in bottle greens or smoky grey-blues have slim bubbles and striations within the smooth glass. At the bottom of each is a tall peak which sends your flower stems to one side of the vase or the other, as you choose.

AWAY WE GO!

Dormitory, Anyone? Anybody going back to prep school or college should make Home Decor the first stop. That corduroy reversible comforter, for example: what a boon on a cold night just before exams! Comes in red, brown, melon or blue, 72 by 84, $16.99 and good for four years and graduate school.

A zebra throw for bedspread or studio couch will be dashing and not show the dirt. Ever see a dirty zebra? A patchwork bedspread is for you, if you like Early American charm and are afraid of zebras.

Throw pillows for dormitory guests, or just studying comfort, come in tailored, fringed or ruffly styles. Big floor cushions eke out the seating, too.

Ask for one of Home Decor's seconds in bath sheets a yard wide and two yards long. They are $4.98 and $5.98, and would be $7.98 and $8.98 if perfect.

Around the end of August, Home Decor will have something for little brother left at home. It's Fiddcrest's "Teach Me Read Me" series of bedspreads, sheets, cases, blankets, towels. You learn to read in bed, as it were.

On little brother's floor is a Humpty Dumpty rug. Unless he has chosen the bear or the rocking horse. (Why not try one in a dorm room?)

For Early American homes, Home Decor now has dark honey maple bathroom accessories. Here's a medicine chest and a shelf unit with sliding doors (white knobbed) across the bottom shelf and two open shelves sustained by turned spindles. There's an open shelf, a magazine rack, a corner shelf and a brass towel rack supported by black wrought-iron eagles. Brass eagles and brass stars decorate all the pieces.

WE'RE EXPERTS

Our customers don't have to be experts on the subject of health supports — because we are. In this capacity, we always stand prepared to advise patrons about their needs in this area.

When one of our customers told us that she had been advised to get stockings to relieve the discomforts of varicose veins, and she wasn't sure whether she needed "support hosiery" or surgical "elastic hosiery," we explained in detail that "support hose" are generally efficacious in providing a measure of relief for persons suffering from leg fatigue. However, surgical quality elastic hosiery offers greater support pressure as required for relieving the problems caused by varicose veins and other leg disorders. Our explanation helped her make a correct choice.

Thorne's, Princeton Junction, carries full stocks of all types of health supports and we are always ready, willing, and able to give you expert advice with your particular problems. Don't hesitate to call on us.

BIRTHS

Twenty-three Born. Eleven boys and 12 girls were born last week at Princeton Hospital.

Sons were born to Mr. and Mrs. Edward Bender, 561 Stockton Street, July 31; Mr. and Mrs. Austin Eib, New Road, Monmouth Junction, August 1; Mr. and Mrs. John Golden, 206 Dana Street, August 2; Mr. and Mrs. Robert Wilkes, 7 Jeffery Lane, Princeton Junction, August 3; Mr. and Mrs. Euardo de Irisarri, 226 Eisenhower Street, and Mr. and Mrs. Vincent Corbo, 345 Nassau Street, both on August 5; Mr. and Mrs. Peter S. Bauders, 41½ Witherspoon Street; Mr. and Mrs. William Cash, Hightstown-Perineville, Road, Hightstown, and Mr. and Mrs. Rodger Hurley, 2051 Main Street, Lawrenceville, all on August 6; Mr. and Mrs. Stanley Martyuk, Federal Road, Cranbury, and Mr. and Mrs. Henry Maher, New Road Franklin Park, both on August 7.

Daughters were born to Mr. and Mrs. Douglas Moy, 596 Ewing Street, July 31; Mr. and Mrs. James Van Handel, Cedarville Road, Hightstown, and Mr. and Mrs. Robert Lewis, 56 N. Greenwood Avenue, Hopewell, both on August 1; Mr. and Mrs. Roger Langmaid, Cranbury; Mr. and Mrs. John Vaccaro, Quaker Bridge Road, and Mr. and Mrs. William Biello, County Route 13, Skillman, all on August 2; Mr. and Mrs. Michael Cirullo, 63-C North Main Street, Cranbury, August 3; Mr. and Mrs. Richard Horn, 640 Old Stage Road, East Brunswick, August 4; Mr. and Mrs. C. D. Ward, 12 Wilanni Road, Kendall Park; Mr. and Mrs. Edward Loughlin, 772 Magnolia Road, North Brunswick; Mr. and Mrs. Michael Danielson, 80 Western Way, and Mr. and Mrs. Eugene Cameron, 29 Pine Street, all on August 6.

A son, Slade Anthony, was born to Mr. and Mrs. Lewis E. Harmon of 56 Livingston Drive, Hamilton Square, on July 26 in St. Francis Hospital. The maternal grandparents are Mr. and Mrs. A. A. Hastoglis of 360 Nassau Street.

A son, Ronald Eric, was born on August 2 in Brooklyn to Dr. and Mrs. William Phillips of 53 Wilton Street.

PARKING APPROVED

For School Yard. The land that once was a playground at the rear of the former Nassau School will now become a 92-car parking area for Princeton University.

The Borough Planning Board gave its approval to the request last week but stipulated that the yard have exits and entrances on William Street only. The University had asked for entrances on Nassau Street also, but Thomas Cawley, Borough engineer, told the University that the Borough does not want traffic crossing Nassau at that location.

The approval now goes to the Borough Zoning Board where it will appear on the August 25th agenda, and then to Mayor and council for final approval.

NURSING HOME APPROVED

in West Windsor. Plans for a convalescent home to care for 102 patients with expansion possibilities to 324, were approved last week by the West Windsor Township Zoning Board. The plans were submitted by Drlwin Gregory and Edward Farce of Princeton.

The home will be built on 34 acres fronting on Alexander and Bear Brook Road. The property will be purchased from Archer M. Vaughn. The Zoning Board gave the two builders a special use permit, stipulating that C. Robert Jones, West Windsor engineers, must approve the plans.

Richard J. Cherlton is the architect. He will have complete plans ready for a bid in about three months, and completion of the $1 million first phase with its 102 beds, will take about a year.

Mr. Farce told the West Windsor zoners that four doctors on the staff of Princeton Hospital will provide medical direction for the new home and that Dr. John Tambascia, Kendall Park, will probably be medical director.

HOUSING WORK BEGINS

On Project for Elderly. Construction work has begun on the $597,487 Borough public housing project for the elderly which will include 50 garden-type units on Harrison Street North between Hamilton Avenue and Nassau Street. Of the total cost, $650,604 is for construction and the rest is for land and administrative expense.

Sponsoring the project is the Princeton Borough Housing Authority, whose director, Mrs Karin Slaby, hopes that apartments will be ready for occupancy next summer. Architect Charles K. Agle has designed predominantly one-story apartments with a few two-story structures. They will be brick and wood, with open space between the units.

When completed, the project will accommodate about 80 persons in efficiency, one and two bedroom apartments. B. J. Builders, of West Long Branch, the firm that built the John Witherspoon School, is handling construction. A scale model of the development will be on display in the window of the Suburban Bus Terminal at Nassau and Witherspoon Streets.

The Federal Public Housing Administration has advanced the funds required for construction of the buildings, and will be reimbursed on a long-range basis by the issuance of temporary notes to private investors. When the project begins operation, the Authority will pay 10% of shelter rent income to the Borough in lieu of taxes, as it now does for the Hagerman Homes project on Clay Street.

"Lloyd Terrace." The new project has been named Lloyd Terrace in honor of the late David S. Lloyd Jr., an original member of the Housing Authority when it was established in 1938 and chairman until his death in 1957. It is the fourth public housing development in the Borough.

The first development was Franklin Terrace, built in 1938 opposite Princeton Hospital on Franklin Avenue. In 1948, Maple Terrace, adjacent to Franklin Terrace, was opened for occupancy. Four years later 50 housing units on Clay Street, known as the John F. Hagerman Homes, were constructed under the Federal Public Housing Program.

The new Lloyd Terrace for the elderly will provide low-rent housing and is expected to reduce waiting lists for the other projects since some of the elderly persons now living in the existing projects will be able to move to the new development. This will release space for younger and larger families.

Applicants for Lloyd Terrace facilities must have a minimum of three years residence in the Borough and must be at least 62 years of age or disabled. The Housing Authority is preparing to meet

with officials of the Township to try and work out an arrangement to accommodate those seeking admission to the Borough's public housing projects who are Township residents

BACK TO THE HOSPITAL

For Parking Plan, Princeton Hospital's request for permission to lay out parking spaces in a Township residential area was tossed back to the hospital Tuesday night.

The Zoning Board, meeting in an executive session that broke at the seams and allowed interested parties to filter in, told the hospital it would have to report back with an over-all parking plan.

The decision followed a public hearing last Thursday which went on until midnight as the hospital brought forth witness after witness in a juggernaut effort to prove its case.

Apparently stung by Township Committee's finding that the hospital had failed to make a case, hospital spokesmen came in with everything they had. There was a court stenographer, the swearing in of witnesses, and voluminous, detailed testimony.

Guided by attorney Homer Zink, John Zvosec, city planner; John W. Kauffman, the hospital's administrator; Nathaniel McKee, assistant administrator, George Conover, president of the Board of Trustees and Dr. James B. Hastings of the medical staff testified at length to the hospital's need for parking space.

On the other side of the fence were the residents of Henry Avenue. Thomas Jamieson, representing Mrs. Irene Dalle-Pezze, 29 Henry, and Frank Cuomo Sr., 25 Henry, poked and prodded the witnesses and brought forth his own alternative proposals.

We Need 16. The hospital asked for either a variance or a special permit to use three lots for 16 parking spaces. The Lots are in a residential Township zone. The hospital itself is in the Borough.

Originally, the hospital had included four lots on Henry in its presentation. Then it discovered that it already had permission, obtained in 1962, for one of the lots, so it withdrew that one. At the same time, hospital authorities discovered, to their considerable embarrassment that they had been using another lot for parking since 1962, under the impression that the lot was included in the approved package.

Thursday night's request, therefore, was for a lot the hospital already owns, one it will take title to September 1 and a third it has been using all along.

The hospital has also been wounded by the discovery that its neighbors on Henry Avenue and its tributaries apparently do not feel quite so neighborly as the hospital always thought they did.

"We are not attempting to force anything on our neighbors," Mr. Zink began, "but we do have a parking problem . . .

"I was shocked to learn that our neighbors didn't regard us as good neighbors," said Mr. Conover. If we have failed as neighbors, I should apologize, but I can see no area where I believe we've failed as good neighbors."

---

112 Say "No." The neighbors themselves let Mr. Jamieson speak throughout the evening, but at the end, Sergio Bonotto, 72 Henry Avenue, presented a petition against the parking variance signed by 112 residents of Henry, Harris Road, Jefferson Road, Guyot Avenue Carnahan Place and Witherspoon.

The petition urged a solution of the parking problem within the framework of the zoning ordinance and suggested use of the business zone along Witherspoon rather than the residential zone in the Henry area.

"It would be both unfortunate and unjust," the petition said, "to destroy the residential nature of one of the few pockets of middle-income housing left in Princeton."

Mr. Zvosec told the Board

How To Survive

Death by accident (all kinds) takes more than 100,000 people yearly in our country alone . . . or to put it more dramatically, can you imagine a city of 100,000 population being wiped out every year by catastrophe? Perhaps we need to think of these staggering tolls in more dramatic ways than just the bare impersonal statistics. If every time we read such figures we would try to form a mental picture that would shock us we might keep a more vivid memory of their existence. That might give rise to more caution in all of us, and more concern for the other fellow too. And actually, concern for him will add to our own safety in the long run. Our concern is for your welfare in every way.

"Merwick" Is Next

Hospital petitioners will move from Township to Borough this month. Having appeared before the Township Zoning Board asking permission for parking lots in a residential zone, the hospital is expected to appear on August 25 before the Borough Zoning Board in regard to "Merwick."

Trustees have approved working drawings for a 50-bed addition to "Merwick," the hospital's geriatric unit however, "Merwick" is in a Borough residential zone and so the hospital needs a special permit. Hospitals are a permitted use in a Borough residential zone but that permit must be in hand.

that, in eight areas including the rooftop of the "J" Building now being built and the Franklin Avenue parking lot, the hospital has 383 parking spaces.

Mr. Kauffman testified that the hospital had lost 100 spaces to the "J" Building, but would regain 35 on the "J" roof parking area in about 20 months. He told the Board that the hospital has 80-90% occupancy in the months between October 1 and June 30.

Park Here. Examining Mr. Zysoes's map, Mr. Jamieson suggested laying out a few parking spaces between the curve of the future Witherspoon Street hospital entrance and the north side of the "J" Building. He also suggested making parking space out of two alleyes facing Franklin, one of which is now a little patio for ambulatory patients, the other a terrace for nurses who live in Lambert House.

Future plans for the hospital call for building an auditorium, meeting rooms and possibly living quarters in part of that Lambert House patio, Mr. Kauffman replied. He added that the smaller alley was the only outdoor recreation area patients had.

Mr. Jamieson also reminded the Zoning Board that across Witherspoon is a business district: why not buy parking space there? Mr. Kauffman said it would be a hazardous crossing, especially for children who are patients of pediatricians in the Medical Arts Building.

Questioned by Mr. Jamieson, Mr. Kauffman admitted that, although the hospital has plans to make "J" even taller than the 2½ stories now under construction (the Borough has already granted the variance), and to join the Medical Arts Building and the hospital, "we haven't explored parking" to accommodate this future expansion.

Buy More Land? Mr. Conover told the Board the hospital would like to buy "contiguous properties" and Mr. Jamieson seized on this as "open admission" that the hospital plans to move even deeper into the residential zone around it.

"This hospital is no longer a Princeton hospital," Mr. Bonollo charged. "It serves three rapidly-growing counties: do we want a medical center of that size in this location? I think the whole hospital question should be reviewed."

Mr. Kauffman said that to move the entire hospital out of Princeton once considered by the trustees, would cost $12-$13 million.

"These people bought in a residential area," Mr. Jamieson said. One hospital witness had brought in records to show that people had purchased

their homes after the hospital was established; in full knowledge, therefore, that the hospital would be their neighbor.

In the current issue of "Broadcast," the hospital's house-organ, Mr. Kauffman said editorially, "Statements were made by a few of the neighbors that the hospital should purchase their homes but that it should pay more than a fair price for this acquisition."

Mr. Jamieson said his clients were not interested in getting more money; in fact, he said, Mrs. Dalle-Pezze did not want to sell at all.

BOROUGH SCHOOL SOLD

To Sole Bidder. Simon Fried of 34 Howe Circle bought the Witherspoon School, Quarry Street, on Tuesday for $125,000. He plans to convert the building into a 120-bed nursing home, if the Borough Zoning Board, Mayor and Council approve.

Mr. Fried was the only bidder at the auction sponsored by the Regional Board of Education at Princeton High School. A partner in the Forest Hills Nursing Home, he estimates the cost of conversion of the old school will be about $500,000. As many as 75 people would staff the home.

His offer of $125,000 was at the minimum bid the Regional Board had advertised that it would accept. He turned over to Mrs. George Fremon of the board a certified check of the Chase Manhattan Bank for $12,500 as a deposit. Attorney William Miller handled the auction for the Board.

The Regional Board holds a special meeting this week to confirm the sale. Mr. Fried has an August 15 deadline to issue notices of intent to property owners in the vicinity of the school building. On August 25, he will make an appearance with his attorney, A. C. Reeves Hicks, before the Zoning Board.

If the zoners approve a variance for a nursing home this month, the sale will be completed on September 1. The Regional board will grant an extension until November 1 if the application is held for further consideration. The sale price of the school is allocated to the cost of the John Witherspoon Elementary School on Walnut Lane.

Residents most intimately concerned with the building's use, the John-Witherspoon Civic Association, will hold a special meeting next week. Members live in the vicinity of the school. Most are in favor of a nursing home, Mrs. Kathy Edwards, president, told TOWN TOPICS.

According to Mr. Hicks, Mr. Fried has appeared informally before the planning board, stating his intent. A developer who asked the board at the June meeting to withhold his

identity, said he would buy the school and the Bamman property, a total of 2.2 acres, with the idea of converting the school to a 120-bed nursing home. He expected, he said, to make a $500,000 investment in land costs and alterations.

He would raze the Bamman warehouse and landscape the area into a park. Visitors to the home would park in the area behind the school. He told the board that the nursing home would bring the Borough about $10,000 in taxes.

ON BOROUGH HALL' Construction Under Way. "We're coming up out of the ground," observed Borough Councilman William H Walker Tuesday night as he reported to Council on the current state of the new Borough Hall.

All frames have been poured, Mr. Walker said, and no labor troubles are anticipated.

The state has approved Council's decision to move the bus stop from one bank to the other. Palmer Square East and Nassau Street, near Princeton Bank and Trust, is the new bus stop.

"How about moving those two taxi stands from Palmer Square East, now that the bus stop has been changed?" The questioner was Fred M. Blicher, president of Palmer Square, Inc. who gets uneasy when customers can't park in front of Palmer Square shops.

Mayor Henry S. Patterson recalled that Council gave the taxi associations permission to use the two parking spaces on the condition they be used. Taxi customers haven't been using them much so far, but Councilman Ellwood Godfrey suggested that bus passengers may now find it convenient to alight from a bus and climb into a taxi. Mayor Patterson said Council should wait a month and see.

Bond Issue Ahead. "We're hocked more than we've ever been hocked," said Dr. Godfrey bleakly, commenting on the $1,670,000 bond issue that faces the Borough some time this year. It's the largest indebtedness ever supported by the Borough, Dr. Godfrey said, and brings the municipality within $458,700 of its $3 million borrowing ceiling.

The breakdown: $700,000 for Borough Hall, two packages totaling $124,000 for the Jackson Street re-alignment, $302,000 for the incinerator and $400,000 for the library. The last two are being shared with the Township, and the Borough will, in turn, share in the Township's Open Space expenses.

Considering all this, Council was hardly in a mood to go along with the Housing Authority's request to wipe off the books that $1,052.37 tax bill for 1965 owed on the Harrison Street property where the housing for the elderly project is now being built.

When this project was first proposed, the Authority indicated that it would be built at no cost to the Borough. This was never set down in writing, but Councilmen always recall it with vivid memory. They decided firmly on Tuesday night that the tax bill would indeed remain on the books. Just how the Borough proposes to collect is another matter.

Timothy Hoisington and Bernard Lenhart were appointed to the Borough police force on a probationary basis, replacing Charles Sperling and Donald Forward who resigned this summer.

Mayor Patterson re-appointed Kenneth Wells to a five-year term on the Housing Authority (until August 15, 1971) and Wilbert Brooks to a full term on the Joint Recreation Board (to July 15, 1970).

WHERE'S OUR PUMP?

Loss Delays Pool. The vital pump for the community swimming pool has been lost somewhere between California and Kennedy International Airport and until it has been found or a replacement shipped east, the pool is in dry dock.

Donald Barr, recreation director, said this week that the pump has been missing for approximately two weeks. It is up to the company that provided it to replace it or find the original.

Mr. Barr, the pool contractors and consultants were scheduled to meet this Wednesday morning to pool information about progress. This Wednesday at 8:15 p.m. the Joint Recreation Board was to hold its monthly meeting at the high school and pool problems are high on the agenda.

"Little problems like this pump are driving us crazy," Mr. Barr observed.

Mr. Barr planned to report on Wednesday night that the fall winter tennis courts will probably be finished in a week or ten days. The fast-dry courts have been ready for some time, and are being used increasingly.

"Our teen dances have been a great success," Mr. Barr reported, following the dance on Friday night. "We have had 400 to 600 at every dance — a better attendance record than we had last year. In 1965, dance attendance petered out toward the end of the summer, but this year, it has held up so well we've had the dances each week.

TWO CAUGHT RACING

Both Fined $25. John Shambora, Jr. 19, 43 Moran Avenue, and William R. Kierman, 18, 60 Spruce Street, were fined $25 each for racing on Nassau Street. The fines, levied in Borough Court Monday, were accompanied by $5 court costs.

Other traffic violators included Mrs. Linda V. Petrone, 19, A Lake d-ef Road, who pleaded guilty to a charge of careless driving and was fined $15. Russell M. Shangle, 32, 446 Nassau Street, pleaded not guilty to the same charge and his case was dismissed. David C. Denise, 18, 85 Mason Drive, paid $7 for failure to observe a stop sign.

Mark Bahadurian, 18, formerly of 877 State Road and now a resident of New York City, will appear before Borough Magistrate Theodore T. Tams, Jr., next week to face charges of using or being under the influence of narcotic drugs. He was taken to Princeton Hospital last week with an infected arm.

Also awaiting trial is Frank Williams, 24, 897 Princeton Avenue, Trenton, charged with beating his wife, Betty, in her home at 184 Witherspoon Street.

Williams allegedly beat her and threatened her life Saturday about 2 a.m. She jumped from a second floor window, breaking her ankle. He was apprehended by Borough police after a chase through the neighborhood and is temporarily committed to Mercer County jail.

Burglars Busy. Two burglaries were recorded last week. One took place on Lytle Street when $23, a $7 check and a first aid kit were taken from the glove compartment of a car owned by Norman D. Fowler, 142 West Broad Street, Hopewell.

Miss Freda Milder, 202 Varsity Avenue, Penns Neck, left her keys in the ignition of her '63 Buick and returned to find it gone. So were a typewriter, an electric fan, three dresses and three skirts which were in the car.

Shirley L. Hart, 79 Clay Street, parked her Thunderbird on the corner of Clay and Witherspoon Streets and had a $25 tool kit stolen from her glove compartment.

The only serious traffic accident last week involved Arnold W. Strohkorb, 83 McCosh Circle, who was treated for bruises and chest injuries at Princeton Hospital following an accident on Saturday night. Mr. Strohkorb's car ran into the rear of a parked vehicle occupied by Mr. and Mrs. Joseph G. Sowder of Miami, Florida, and their 15-year old daughter, Susan. Mrs. Sowder and Susan were treated for minor injuries at the hospital.

The accident took place at Nassau and Charlton Streets. Mr. Strohkorb, 42-year old chief of Princeton University's food service department, was ticketed for careless driving.

COST OF LIVING VS. ALLOWANCES: Squeezed most by the rise in the cost of living are those on fixed incomes — such as allowances. Four commenting on its effect are, from left: Beckie Wert, Karen Kleiber, Carla Schwoerer and Rebecca Procaccino. (Staff Photo)

Question of the Week

Question: Has the increase in the cost of living affected your allowance any?

Where asked: Harrison Street Playground.

Carla Schwoerer, 267 Hawthorne Avenue, Princeton High freshman: It makes me sick, because today when you expect a nickel back in change you get four pennies — which doesn't buy as much as a nickel. I don't get an allowance; I just ask for money but now it has to be for a specific thing and if there is any change, they want it back.

Rebecca Procaccino, 207 Ewing Street, eighth grade, John Witherspoon School: It hasn't affected my allowance but it's affected me. My allowance hasn't gone up but prices and taxes have so it is harder for me. For each dollar of allowance we get, we should get three cents more to cover the tax. When I get it, I get $2 a week; I think I should get $2.50 now at least.

Karen Kleiber, 8 Robert Road, eighth grade, John Witherspoon School: I don't get an allowance but before, when your parents gave you money, you could keep the change. Now they want to know where it is. Before my mother would buy me clothes whenever I needed them. Now it is harder to get her to buy me things.

Beckie Wert, 6 Hodge Road, Princeton High freshman: Yes, they don't pay it as often. If they are going to raise the price of my candy and things that I need, then I'm going to raise my prices. I now charge 75 cents an hour for babysitting. I've learned a way. I buy one nickel candy bar and then go back and buy another so I won't have to pay the fine.

Pat Clayton, 24 Markham Road, sixth grade: Yes, because if you buy a 25-cent airplane you need more money for the tax. If you don't have that extra penny, you're in trouble. I think about 25 cents a week more would cover it.

Blair Turner, 39 Hamilton Avenue, seventh grade, John Witherspoon School: No, I still get as much allowance but I would like to get more. As I get older, I need it for more purposes. So far, I've only bought one thing — caps — which required a tax, so it doesn't bother me much. If I get more money, it will probably affect me more. I think I should get about 50 cents a week more.

Lynn Costa, 28 Maple Street, sixth grade, John Witherspoon School: My mother increased my allowance because of that. I used to get 50 cents now I get 75.

Karen Wood, 35 Maple Street, sixth grade, John Witherspoon School: Yes, it has. When you have to save to buy a gift for someone, say you save your allowance for two weeks, now you have to save three weeks to cover the tax. I think I should get at least 25 cents a week more.

Mark Manasse, 67 Olden Street, third grade, John Witherspoon School: No, because I just buy one comic book a week or one or two packs of Batman cards, so I don't go over the 17c mark. It's not that I'm trying to keep under 17c, it's just that I'm not supposed to spend more than 27 cents in any way in one week.

Don Fox, 28 Murray Place, sixth grade, John Witherspoon School: Hardly — it's gone up! I used to get 50 cents a week, now I get $2. I do all right for myself.

Willie Rosso, 36 Fisher Avenue, freshman, PHS: It hasn't really affected me any. Whenever I want something I ask for it. I still get what I want, but I have to try a little harder to get it.

Geez Kline, 44 Horner Lane, sixth grade, John Witherspoon School: No, it hasn't. I get a dollar every day.

Mark Landauer, 50 Aiken Avenue, seventh grade, John Witherspoon School: No. I don't get an allowance, since I've gotten my paper route. The few extra pennies hasn't bothered me.

Peter Bitume, Bronx, Fresh Air Camp visitor: No, I haven't noticed any effect. I still get a dollar a week.

Mark Parsells, 36 Princeton Avenue, eighth grade, John Witherspoon School: I don't get any allowance but I have noticed it is a little bit harder to get money from my parents.

Joe Moffo, 321 Ewing Street, eighth grade, Valley Road: No, but it depends on the tax. You have to play it right. If you have a dollar, you buy one thing for 15 cents and then go back and by another and keep on doing that so you beat the tax. I get $1, which is enough for me. Sometimes I don't even need it.

Norman Servis, 367 Ewing Street, seventh grade, St. Paul's: No. Anything I buy, prices haven't gone up yet. I get $1, but next year I think I'll try for $1.25.

Mike Meservey, 72 Dorann Avenue, sixth grade, Community Park School: No. I get 50 cents and you can still buy as much as before, if you work it right.

Anthony Iscono, 84 Leigh Avenue, seventh grade, Valley Road: No, not really. I don't get a steady allowance. I ask my father for something and he usually gives it to me. I'd like it a lot better if they didn't have a tax because I just get loaded up with pennies.

RESIDENTS HELP LBJ With Present to Israel. Two Princeton residents had a part in a special gift presentation made by President Lyndon B. Johnson to Salman Shazar, President of Israel, last week at a state dinner.

The gift, the 17 published volumes of "The Papers of Thomas Jefferson," was delivered personally to the White House by Cary Smith, daughter of Mr. and Mrs. Albridge C. Smith III, 62 Hodge Road. Miss Smith, a junior at Radcliffe and a summer employee of Princeton University Press, took the 35 pounds of books to Washington by train so that they could be packaged in a bookcase with a gold plaque before the ceremony. When she arrived she was given a private tour of the White House, seeing many of the rooms closed to the general public.

The books themselves were edited by Julian P. Boyd, 120 Broadmead, professor of history at Princeton University. Called "one of the greatest editorial and publishing ventures in the nation's history," the complete "Papers of Thomas Jefferson" will eventually fill some 80 volumes.

The gift was chosen for the White House presentation because both Jefferson and Shazar were third presidents of their respective nations.

SEAT BELT FASTENED?

Auto Show Readied. Over 15,000 people are expected to attend the ninth annual New Hope Automobile Show scheduled to start this Saturday. It will run through Sunday at the New Hope-Solebury High School grounds on Route 202. The show is sponsored by the New Hope-Solebury Community Association, a non-profit group which uses the proceeds to support educational and recreational programs.

Opening the event at 10 a.m. Saturday will be a mile-nice rally-meanwhile, hundreds of antique cars, sports cars, Auburns, Cords, Duesenbergs, Pierce-Arrows, Bugattis, two-seated Thunderbirds and Kaiser-Frazers will be arriving in time for the noon judging in those divisions.

At 1:30 Miss New Hope Automobile Show will be selected and officially crowned. Following the coronation, the queen will present trophys to car-winning owners at 2:30. Other Saturday events include movies in the high school gym and an automotive flea market.

On Sunday, beginning at 9 a.m. there will be a championship rally sponsored by the PRCA. Grounds will open to spectators at 10. There will also be judging in several divisions, including vintage Chevrolets, classic cars, Alvis, Lincoln Continentals, Model A Fords, Plymouths, Bentleys and Rolls-Royce.

Master of ceremonies on both days will be Jean Shepherd, who does the nightly WOR show from New York. Admission to the show each day is $1 for adults; children under 12 admitted free.

PRINCIPALS CHOSEN

For Hopewell Schools. William J. Nunan, superintendent of the Hopewell Valley Regional School District, has announced the appointment of Bruce B. Morgan as principal of Hopewell Valley Central High School and Paul Van-Fleet as principal of the Beer Tavern Elementary School.

Mr. Morgan will come to Hopewell from Springfield, Pa. where he served as principal in charge of grades 10 through 12 at Springfield High School and later as principal of Collingdale High School. A graduate of West Chester State College with a master's degree in education from Temple University, the 37-year old administrator is married and has five children.

Mr. Van Fleet, a Trenton resident, earned his degree from Trenton State College and his master's degree in education from Rutgers University. A teacher since 1955, he served as principal of Mercerville Elementary in Hamilton Township from 1964-66. He is married and has two children.

As principal of Hopewell Valley Central High School, Mr. Morgan will draw a salary of $14,500 per year. Mr. Van Fleet will earn $10,800 per year.

POSTAL CLERKS WANTED For Full-time Positions. Princeton postmaster John L. Dilworth is seeking applicants to fill positions which will be vacated by seasonal assistants this September. He predicted there would be an urgent need for personnel in Princeton and other post offices throughout the country when September comes.

Among the benefits given to postal clerks and carriers are 13 to 26-day vacations, health plans, incentive awards, advancement, sick leave with pay, life insurance, liberal retirement benefits and a starting pay of $2.64 per hour with periodic increases to $3.60 per hour.

The postal examination is open to all men and women, minimum age 17, with no residence requirement. Further information or the application form 5000-AB may be obtained at the Princeton Post Office.

What to do about obscene or harassing phone calls

We are very concerned about these calls. Should you receive any, the following guidelines provide a very effective way for you to stop them:

1. *Hang up*—if the caller does not say anything.
   —at the first obscene word.
   —if the caller does not identify himself to your satisfaction.

   Remember, *you* are in control of your phone. You can end any conversation simply by hanging up.

2. *Don't keep talking to the caller*—what he really wants is an audience. Don't be that audience.

By keeping these hints in mind, you can usually discourage someone from continuing to call you. If the calls do persist, call your Telephone Business Office. We have representatives who are trained to investigate, identify, and help in the apprehension of these callers.

NOTE: New Jersey laws provide up to ONE YEAR IN PRISON AND A $1000 FINE to anyone making lewd, lascivious, or disgusting remarks on the telephone, or who repeatedly telephones a person for the purpose of molesting or annoying that person.

PEOPLE *In The News*

Miss Margaretta R. Cowenhoven, 101 Lafayette Road, and Dr. Elizabeth C. Wentworth, 2 Princeton-Lawrenceville Road, have been appointed to senior administrative posts at Princeton University. Miss Cowenhoven will be an assistant secretary of the University and Dr. Wentworth will be assistant to the dean of the Graduate School.

Miss Cowenhoven, a longtime resident of Princeton, has been a member of the University's administrative staff since 1954 as assistant to Alexander Leitch, who retired this summer after 32 years of service as secretary of the University.

As assistant secretary, she will continue to have primary responsibility for editing official register publications which include the University's three annual catalogues. She will also work with Dr. Jeremiah S. Finch, newly-appointed secretary of the University. She is a graduate of Wellesley College and a former employee of the American Institute of Public Opinion and Johnson and Johnson. During World War II, she served in the U. S. Navy, attaining the rank of lieutenant-commander.

Dr. Wentworth, a graduate of Occidental College in Los Angeles, received her PH.D. from the University of Southern California in 1959. She taught philosophy at Occidental, Goucher College in Baltimore, Pasadena City College, the University of Southern California and the University of Maryland before she joined the Bendix Radio Corporation in Baltimore in 1961.

There she acted as project engineer specializing in computer design and usage involving planning programs for management information. At Princeton she will assist Dean Collin S. Pittendrigh with the general responsibilities of the Graduate School.

Why the Mercedes-Benz 230SL costs $6343

Top speed is 124 mph. Handling equals today's great sports cars. But the 230SL's genius lies in comfort no sports car has ever matched: chair-like seats that literally breathe, for example. Read more about one of the most desirable sports machines ever built.

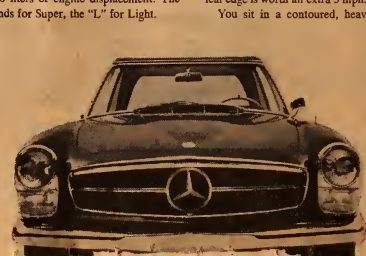
THE Mercedes-Benz 230SL is defiantly *not* fun for the whole family. It's a two-seater machine built for the pleasures of driving.

As such, it succeeds brilliantly: "This combination of absolute security, complete stability, and plain old hell-raising fun must be driven to be believed," states *Car and Driver* magazine.

Mercedes-Benz takes serious pains to provide this pleasure.

From start to finish of assembly, the 230SL passes a total of 8,117 inspections. Its 6-cylinder, fuel injection engine is hand assembled with pistons matched to within 1/100th of a millimeter.

The completed engine runs at least 75 minutes on two test stands, finishing with a prolonged burst at peak speed,



til it became boring or illegal.

An *Einspritzer*—fuel injection system—replaces carburetors and helps make this one of the most responsive engines for its size in the world. And one of the *smoothest*. Its unobtrusive power is also one reason why, unlike most sports cars, the 230SL makes such an ideal long-distance tourer.

What's in a name: The *230* in 230SL stands for 2.30 liters of engine displacement. The "S" stands for Super, the "L" for Light.

sides of the rocker panels that are sealed off before priming are protected nonetheless: they're zinc-coated *before* assembly.

Sumptuous living

Visibility in the 230SL is so airy it is eerie. You sit high, the car's waist is low, and side windows arch up over 15 inches. You watch the road ahead, not the hood. The psychological edge is worth an extra 5 mph.

You sit in a contoured, heavily padded

problem; you can set your own comfort standards with a *separate* group of heater controls.

The 230SL is decidedly not a family carryall. But you can tuck 7 cubic feet of luggage in the trunk. You can stow another 5 cubic feet, or a smallish relative, in the carpeted area behind the seats.

A 4-speed, fully synchronized transmission with floor shift is standard equipment. In its place you can specify a 4-speed automatic transmission, also with floor shift.

Even people who *hate* automatics relent with this one; it can be shifted like a manual gearbox, there is no soggy lag in acceleration, and it is so efficient that fuel economy virtually equals manually equipped 230SLs.

Power steering is also available at extra cost. It is generally regarded as the best such system in the world, since it reduces steering *effort* but not road feel—and does so progressively, coming into play only when needed.

Three 230SL models

You can choose from 3 models: the Roadster, with convertible top, at $6185*; the Coupe, an all-weather removable metal hardtop, at

tires on two test stands, finishing with a prolonged burst at peak speed.

The completed 230SL then 2 s from the factory to the test track for a brisk performance check. If it's good enough for the inspector, it's good enough to sell.

Handling for experts

Only a skilled professional driver could take the 230SL up to its road holding limits.

"The car's cornering power is so high that one simply goes roaring into the turn, chooses his line, steers, and opens the throttle to taste. The result is a smoothly negotiated corner that will make your passenger think you're a virtuoso, and drivers of other cars wish that they had taken the bus."—Car and Driver.

Some clues to the 230SL's handling mastery: it stands a mere 4 feet, 4 inches high—yet measures nearly 6 feet wide. And its track is so broad that those chubby 14-inch tires seem to bulge out from the body sides.

NOTE: These tires are a breakthrough in themselves. They were designed to suit the car—using advanced *radial ply* construction. Their tread design and tenacity help explain why this car literally *sticks* to the road.

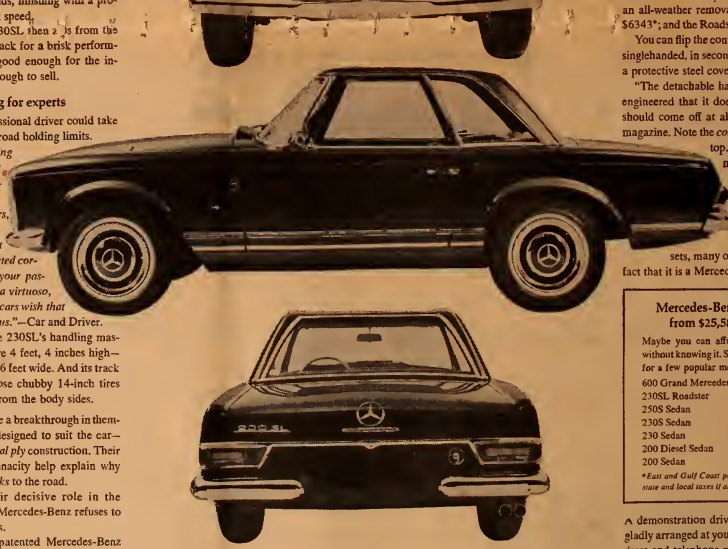
Because of their decisive role in the 230SL's handling, Mercedes-Benz refuses to mount anything less.

You ride on a patented Mercedes-Benz fully independent suspension, with single-joint low-pivot rear swing axle. A few years ago, this same design carried the Mercedes-Benz 300SLR sports-racing car to a world championship.

Big 9.9-inch front disc brakes snub you down to a halt without fade or swerve. The 230SL holds *Road & Track* magazine's record for fast stopping times.

Einspritzmotor

The 230SL is only stretched to its limit when the speedometer needle nudges 124 mph. You could level off at 100 mph and stay there un-



At 2855 lbs, the 230SL is anything but flimsy. Mercedes-Benz rally driver Eugen Boehringer underscored the point: he won the gruelling Liége-Sofia-Liége Rally in one.

The squeaks, rattles and groans of hard use and age won't intrude on the 230SL. There's nothing *to* squeak, rattle or groan: the body is welded up, not bolted together. Then it's unhurriedly hand finished, slathered with undercoating, coated with two primer layers and painted twice with enamel.

A hidden virtue: Vital areas such as the inseat that resembles a chair, not the typical sports car "bucket."

Describing the 230SL's seats, Britain's *Motor* magazine said, "They grip, support, relax and ventilate your body supremely well."

The backs also recline. And thousands of tiny holes in the upholstery material keep air circulating. Two large slots on the rear of both backrests allow pent-up heat to escape from inside the seats.

Passengers: The driver may prefer too much or too little heat for your taste. No an all-weather removable metal hardtop, at $6343*; and the Roadster/Coupe, at $6587*.

You can flip the convertible top up or down singlehanded, in seconds. It stows flush under a protective steel cover.

"The detachable hardtop is so beautifully engineered that it doesn't look as though it should come off at all," comments *Autocar* magazine. Note the *concave* roof of this hardtop. An ingeniously simple means of expanding visibility, as in turning up the brim of a sombrero.

GOGOLAK'S SUCCESSOR: Sophomore Ted Garcia, who kicks in the soccer-style fashion of Charlie Gogolak, save that he is left footed, is Princeton's hope for a continuation of above-average strength in the field goal department. Now a resident of Colorado Springs, Garcia is a native of Ecuador. Holding the ball is another promising sophomore, tailback Dick Bracken.

FOOTBALL OUTLOOK — II

(This is the second in a series of four articles on Princeton's football prospects for 1966.)

Sophomores Thin Again. Around here, they are pretty content with the fact that whereas Princeton hasn't had a powerhouse freshman football team in five years, its varsity record since 1962 shows 29 victories, including a string of 17 in a row against seven defeats. At Cambridge, on the other hand, Harvard has consistently turned out strong freshman units in the current decade and yet has only 22 victories at the varsity level over the same stretch of time, almost invariably trailing the Tigers in the Ivy League standings.

Last fall, the Class of 1969 at Princeton won two games (against Penn and Columbia), while losing to Cornell, Rutgers, Harvard and Yale. Once again, early assistance from the upcoming sophomore class will be very much the exception rather than the rule; in fact, if the current crop follows the rate of progress set by its immediate predecessors, only two of its members will earn starting positions in the two-platoon scheme of things by the time the season ends in November.

Last November, sophomore tackle Bill Lloyd and guard Lee Hitchner started on defense for Princeton in the climactic games against Harvard, Yale and Dartmouth. There were nine upperclassmen on defense, while the attacking unit was composed of two juniors and nine seniors.

Even the skilled evaluation of the veteran coaching staff is by no means infallible in determining — particularly without the benefit of spring practice — which members of the youngest class on the varsity will make a contribution during its sophomore season. Last year, for example, in addition to Lloyd and Hitchner, a dozen of their classmates were labelled in the annual publicity brochure as "sophomores to watch." Of the 12, only Lloyd and Hitchner, Steve Pierce and Charlie Baby at end, Homer Ashby at tackle and Craig Stone and Bob Haussleiter at guard saw much action.

The number of sophomores who may help in the line this year is the smallest within memory — four. Five others are backs, but one of them, Ted Garcia, is a specialist who will never carry the ball and, hopefully, will never be called on to make a tackle. Like the invaluable Charlie Gogolak, he is a soccer-style placekicker.

By positions, this is the sophomore story:

● Ends: If the Tigers weren't better stocked at this position than they have been in several seasons, 6-3 Dick Sandler might well earn a starting berth rather quickly. At 220, he has both durability and ability — freshman coach Pep McCarthy calls him "the best two-way player I had last season." Sandler will give some of the lettermen a real tussle for a starting assignment, seems sure to rank at least second on the depth chart by mid-season. Mike Carton, 6-1, 205, also played both ways last year and can fit in where he is needed most.

● Tackles: The Class of '69 has the distinction of giving Princeton the biggest pair of players it has ever had at this vital position. Tim McCann is 6-5 and 240 but still a bit smaller than Dave Hantz, who stands 6-6 and weighs 260. McCann, actually, holds the greater immediate promise of the two and can go both ways. Hantz, only 18 and needing another 12 months to gain maximum coordination, may be that far away from regular duty. He'll be groomed for defensive work.

● Backs: One at each position, a factor which will help balance a varsity backfield that lost three of its four starters through graduation. The wingback is 180-lb. Jim Kolenski, possibly good enough to serve as an immediate replacement for the veteran John Bowers despite limited action as a freshman because of a back injury.

The quarter back is Bill Bittner, whose assets include a promising ability as a single-wing field general and 200 pounds that make him an above-average blocking back. The fullback is 195-lb. Don Hazen, who comes off a good freshman year as the most likely member of his class to earn a starting assignment because he has less holdover competition. Bill Berkeley and Ron Grossman are the letter-

men at this position, but Grossman is needed on defense and Berkeley has seen relatively little action as a ball carrier while serving as one of the best punters the Tigers have ever had.

The tailback is the biggest player ever to be listed by Princeton at this position. Standing 6-1 and weighing 210 pounds, Canadian-born Dick Bracken was captain on his freshman team and showed unusual promise. Using his speed and size to rank as a punishing runner, he will give letterman Dave Martin and varsity reserve Bob Weber extreme competition for the starting assignment.

● Specialist: Edurdo "Ted" Garcia is the sophomore being counted on to worry the opposition with his placekicking ability — a factor that puts pressure on a team as soon as it finds itself backed inside its 25-yard line, a point stressed by the coach of virtually every team Princeton played last year. Although little tested under fire, Garcia last fall could match Charlie Gologlak kick for kick from 35 yards out.

Intriguingly, he will only have to boost a pair of field goals during 1966 to match Gogolak — who followed with nine as a junior and 16 in his final year. Accuracy in converting points after touchdown will also be a major aspect open to this alumnus of Latin American soccer.

(Next Week-Tentative Lineup)

ACCELERATOR WINS TWO

To Move into Tie for First. Two Accelerator victories combined with RCA A's second-straight defeat knotted the lead in the Western Division of the Business Softball League last week. Regular season play ends next week.

Accelerator, which has stayed close on the heels of RCA A all season but could never quite catch the leaders, finally managed to do so by routing Opinion Research, 16-0, and dropping RCA B in a make-up game, 17-7. Leading the way was Carl Schuler, who hit for the circuit — a home run, triple, double and single — in four trips to the plate against ORC.

While Accelerator was picking up two wins, RCA A failed to come out of the slump it began the week before last. RCA Astro headed the league-leaders an 11-10 setback. This, together with a previous, 7-3 loss to Western Electric, forced RCA A to share the lead.

In other league play, RCA B managed to salvage one win for the week by upending American Cyanamid, 9-8, in a game that went an extra inning. The winning run came with two outs when Doug Bosomworth singled and came all the way home on Dave Staebler's single. Dick Weiss was 3 for 4, including two doubles and three RBI's for the winners while Don Kelly contributed 4 hits in 4 at-bats to the losing cause.

Giants, Eagles Win

Winning margins were posted by the New York Giants and the Philadelphia Eagles Saturday in their first exhibition games of the 1966 season, with the size of the Eagles' score over the Chicago Bears a distinct surprise. The two NFL rivals will meet in Palmer Stadium on Saturday, August 27.

Philadelphia manhandled Chicago, 40 to 21, as the veteran King Hill ran for two touchdowns and passed for a third. The Giants, meanwhile, had to come from behind to defeat the Pittsburgh Steelers, 16 to 14, winning on the margin of a field goal by Pete Gogolak.

This weekend, the Eagles will meet the Baltimore Colts in New Orleans, while the Giants play the Atlanta Falcons, newest entry in the league, in Nashville, Tenn. The game here on the 27th will be the fifth in Palmer Stadium between the teams, with the Giants holding a 3-1 edge.

Columbia Carbon's Bill Gahagan hurled a two-hit shutout over McGraw Hill as his teammates supported him with 12 hits and six runs. Contributing two hits each to the attack were Hank Kuester, Al Golembski, Jim Chiorello, Jim Blaziwitz and Al Anderson.

Western Electric defeated Shell Oil, 10-8, on the strength of two home runs by Mike DeAngelo and a single round-tripper by Bob O'Erie. These blows offset home runs by Joe Washington and Ron Collins for Shell. Hopewell TV managed to eke out a 7-6 triumph over Educational Testing Service.

ETS TAKES EARLY LEAD

In Girls' Softball Playoff. Educational Testing Service took the opener of its best-of-three series with Princetoe Hospital in the playoff finals of the Girls' Softball League. The regular season champions downed the Hospital, 13-7, behind the pitching of Dottie Moore and a home run and a double by Joyce Johnson.

The Hospital, which finished in a three-way tie for second place in the regular season standings, led 4-0 after the first inning with three of the runs coming on a triple by Pat Brown. ETS bounced back to score three unearned runs in the second. The winners added two in the third, two in the fourth, three in the fifth and three in the sixth.

ETS gained its first berth by squeaking past McGraw-Hill, 11-10. The Hospital easily won its semi-final contest with RCA, 16-9.

The second game of the playoff finals was scheduled for the ETS field, with the home team seeking to take the playoff championship. In last year's playoffs, ETS lost the final game and the championship to American Cyanamid.

$53,836,154.12
fills a lot of piggy banks

True—but putting more than change into piggy banks at home is the wrong way for either young or old to save.

Why?

Well, anyone can walk away with a piggy bank, or break it open or jiggle the coins back out.

The smart way to save is the way the hundreds of other savers at the Princeton Bank do their saving, right now, in a regular savings account where it is well protected against theft, temptation and economic distress.

Putting your spare cash into a personal savings account at the Princeton Bank does one other thing that a piggy bank can't — it pays you regular interest on the pennies and dollars you have on deposit.

Yes, $53,836,154.12 fills a lot of piggy banks — we keep it for our customers in our solid vaults. Bring in your bulging piggy bank today and empty it into a regular, interest paying personal savings account regardless of your age.

THREE-WAY TIE EXISTS

In Summer Lacrosse, Three-teams in the Summer Lacrosse League — Navy, Blue and Red — finished the regular season in a deadlock for first place with identical marks of three victories, a defeat and two ties.

The Green team, which failed to win in six games, will participate in a round robin, with the above Thursday evening at Marquand Park to determine the champion. In the event of a tie at the end of the action, the title will go to the team scoring the most goals.

In games last week, Blue defeated Green, 7 to 1, paced by Karl Pettit's four goals. Bob Weber added two for the victors, while John Petito averted a shutout for Green.

Navy topped Red, 8-6, as Carl Burns poured in half a dozen and Dave Leete added a pair for the winners. Brian Sullivan scored twice for Red, with single goals being credited to John Siegler, Stewart Husid, Bryce Chase and Bruce Van Ness.

Leete topped the individual scoring for the season with 19 goals and 4 assists, followed by Van Ness, 13 and 4; Sullivan, 13 and 0; Burns, 7 and 5; Sam Stewart, 9 and 2; and Petito, 7 and 0.

An all-star game between Princeton and Elizabeth will be played Sunday. It will take place in Elizabeth.

QUOIT TOURNEY PLANNED

By Lawrence Township, The Lawrence Township recreation commission will sponsor its annual doubles quoit tournament this Friday at 7 on the Lawrenceville firehouse quoit grounds. Prizes will be awarded to the winners of the event.

Residents who wish to participate may register with chairman Raymond Sanders, Sr., by 7 p.m. at the quoit grounds on the night of the tournament or by calling Sanders at 896-0243 or Joseph Jingoli, playground director, at 882-2337. In case of rain, the event will be held indoors.

MOTOR LODGE STARS WIN

In Little League Play, The Princeton Motor Lodge 10-12 year-old all-stars defeated Sunnybrae of Hamilton Township, 6-3, to win the right to meet Union City Monday in a national PAL baseball tournament game.

Leading the way was pitcher Bill Schilling, who struck out 12 and allowed only three hits. Motor Lodge got off to a slow start, scoring one run in the fourth on singles by George Barna and Joe McGuinn and a Sunnybrae error.

After Sunnybrae tied the score in its half of the inning, Motor Lodge added four more runs in the fifth frame. The big blows in that uprising were singles by Kevin Tylus and Steve Stone, walks to Ray Richards and Bill Schilling, and a double to left by John Moran which drove in two. The winners added another in the sixth on a walk to Barna and singles by Bruce Campbell and Steve Stone.

The Motor Lodge All-Stars will travel to Trenton Monday to meet Union City at 6 in the first round of the national PAL tournament. The field is located on Betts Avenue, off Princeton Avenue and marked with a directional sign reading "PAL League Field." Spectators can take Route 206 toward Trenton to Princeton Avenue, turning right at a traffic light one block before the Trenton Circle.

PLAY FINISHES

In PBA Little League, Engine No. 3, with a season mark of 13 wins against a single defeat, ran away with the championship crown in PBA Little League. The winners increased their margin of victory by routing Hook & Ladder, 16-7, and Elks, 18-6, in last week's play.

Against Hook & Ladder, No. 3's John Mooney won his seventh game without a defeat, getting home run support from Rick Giamo. Jack Bayer hit a home run for the losers. In the contest with the Elks, Steve Stone finished his little league career in fine style as he belted two home runs, one a grand slam, to lead the No. 3 rout. Mark Baldwin and Paul LaPlaca added two hits each to the attack.

Number two finisher, Engine No. 1, backed into the runner-up spot last week by dropping a 5-1 decision to Post 76 and an 8-3 contest to the Elks. Post 76's Bobby Worn showed pitching form by hurling a two-hitter and striking out nine and his hitting prowess by getting two hits, one a home run. Duncan Martin got credit for the Elks' victory as he received support from Tom Hofgesang, who hit a grand slam. Simon "Breezy" Boccanfuso had two hits for the winners.

The Lions finished the week with two victories but lost a tight, 8-7 contest to Post 78 which forced them to share third place with the Post. The game was played from point of protest of an early game.

The two triumphs include a 8-5 decision over Hook & Ladder, which failed to field a team to play off a 5-5 tie, and a 7-2 decision over the Eagles. In that game, Lion Steve Alexander collected two home runs, one a grand slam, to finish with six for the season. His teammate Stan Fickes secounted for the winner's other two runs with his third round-tripper of the season.

Final standings:

SUNNYBRAE TRIUMPHS

Over PBA Nine-Year Olds.

A team of nine-year olds from the Princeton PBA Little League dropped a close, 5-4 decision to the Sunnybrae All-Stars of Hamilton Township last Friday. Sunnybrae has lost only one nine-year old all-star game in seven years.

Simon "Breezy" Boccanfuso hurled for the Princeton entry and was the victim of two unearned runs which led to the defeat. Princeton trailed 3-0 at one point before scoring three in the second on three

MORE FLIGHTS SOUGHT

For Mercer Airport. More airlines and more flights are the twin targets of the Scheduled Airline Service Promotion Committee for the Mercer County Airport, a committee formed to attract plane passengers to the airport.

The committee, headed by William G. Madaris, director of aviation for U. S. Steel, is the result of a proposal made by Mercer County Freeholder Director Richard J. Coffee. Mr. Coffee said that Mercer could become an important cog in the network of East Coast airports if it got the support of residents in the Delaware Valley.

The committee hopes to show Allegheny Airlines, the only scheduled commercial carrier servicing Mercer, that enough traffic can be generated to warrant an increase in service. Allegheny has indicated that it will add more flights if they can be filled, and Mr. Coffee feels that other commerical companies would be glad to schedule flights to places other than already-crowded New York, Philadelphia and Newark, if they, too, can be filled.

Currently, 250,000 annual one-way air trips are made by residents in the Mercer Airport area. Only a small number use Allegheny's four daily flights, which leave for New Haven and Boston at 10:00 a.m. and 8:41 p.m. and for Philadelphia and Washington, D. C., at 9:20 a.m. and 8:55 p.m.

This year the number of passengers using Allegheny from Mercer Airport has increased three-fold over last year. If the figure continues to grow, the airport has the facilities to handle the increased traffic.

The county owns 1,000 acres at the airport and there is room to lengthen the present 3,200-foot main runway to 7,000 feet, which would make it equal to Newark Airport. Instrument equipment for bad weather landings is already present, and a new terminal is being planned for construction opposite the present building.

NEED OFFICE SPACE?

New Building Planned. Full-dress plans will be publicly revealed next week for the office building that Princeton Plaza, Inc. plans to construct at 360 Nassau on land purchased from Leonard LaPlaca, owner of Nassau Interiors. The furniture store is located on the property at present.

Last week, the Borough Planning Board approved a minor subdivision for Princeton Plaza allowing it to combine the property's seven lots into one.

Delwin Gregory, Edward Faroe and John Borden, principals in the corporation, plan a building 40,000 square feet in extent, fronting on both Nassau and North Harrison Street. J. Robert Hillier, 44 Nassau, is the architect retained to prepare the design.

The present buildings on the property will probably be razed, except for the one occupied by a dry cleaning firm. Mr. LaPlaca plans to move Nassau Interiors back to 180 Nassau later this month.

TO HEAD CAR DEALERS

Harold Schwartz Named. Harold E. Schwartz, co-owner of Princeton Motors Inc., Route 206, has been elected president of the New Jersey Volkscar Dealers Association, and organization of the authorized Volkswagen dealers in the state.

Mr. Schwartz confirmed this week the price rise in European delivery prices for most VW models. Tourists buying VWs in Europe have been paying $57 more for the sedan since August 1.

A somewhat greater increase in price is anticipated for buyers in the United States, Mr. Schwartz added. He said that the price would come with the 1967 models, but that no official word has been received from the company.

PROFITS DOUBLE

For Applied Research Corp. Profits for the first six months of 1966 have more than doubled over the comparable 1965 period, Princeton Applied Research Corporation has reported to its stockholders. The firm manufactures precision electronic instruments for scientific research.

Net profit for the five-year old Princeton-based company reached $145,000, or $13.53 per share. Corporation president Emil W. Lehmann said this figure represents a new high for the firm.

Princeton Applied Research employs nearly 100. In April the corporation moved into newly-purchased facilities on Route 518 in Montgomery Township.

WATER CO. ON TOP

In YMCA Junior Baseball. With only two games remaining in the YMCA Junior Baseball League, Water Company has clinched the crown, Matthews Construction has secured second place and Bowers has placed third. The champions have a perfect 10-0 record on the season.

The league's all-stars were scheduled to challenge the first-place finishers, Water Company, this Wednesday. Representing the all-stars were Bill Brooks, Rick Embley, Chip Hall and Jeff Grover from Matthews; Sam Proccacino, Jim Pirone, Bob McCluskey and John Peece from Bowers; Gary Toth, Bruce Campbell, Tim Kearns and Tim Rolands from Nassau Oil; and Jim Carlo, Bob Sweeney, Pete Sweeney and Ken Breeden from YMCA.

After Sumnybrae took a 5-3 edge, Andy Bolster led off the fifth with a triple and scored on LaPlaca's single, but the lone run wasn't enough. Coaching the team were Jack Petrone and Bob Daniels.

Players chosen for the game included Larry Howell and Simon Boccanfuso from Engine No. 1; George Reynolds and Eddie Volz from the Eagles; Tom Stange from Post 76; Lucien Brush and Andy Bolster from Hook & Ladder; Brian Jeffries from Engine No. 3; and Jeff Petrone, Lee Martin and Michael Bolster from the PBA Little League baseball school.

News Of The CHURCHES

PLAN $300,000 DRIVE For Unitarian Expansion. The Unitarian - Universalist Church has announced plans for a 300,000 building program which will include an auditorium available to community groups. Kenneth B. Spear, past president and a long-time board member, will head the campaign steering committee. George C. Easter is vice-chairman and head of the building committee.

According to Mr. Spear, the funds will be raised without the benefit of professional fund raisers. Ten years ago, when the congregation undertook a building fund, it drew upon the experience and services of its members after being told that the $110,000 goal was unrealistic for a church of its size. The goal was met at a cost of only $834.) The drive is geared to meet the demands of growth. Adult and church school membership has trebled since 1958.

Mr. Spear, who recently retired after 38 years with the Bey Scouts of America, is president of the Rocky Hill Board of Education and chairman of the church and fellowship campaign of the Unitarian Universalist Association of America.

GROWING PAINS: Kenneth B. Spear (left) and the Rev. Robert L. Cope look over plans for the $300,000 expansion program of the Unitarian-Universalist Church, Cherry Hill Road. The church has grown from a handful of families who first met 17 years ago to 425 adult members and 355 church school registrants. Two-thirds of the church school are not able to attend classes on church property because of the lack of space, according to Mr. Spear, chairman of the campaign steering committee. James Hall Miller is the architect. (Staff Photo)

The campaign committee includes Dr. DeWitt H. Smith, advanced gifts; Herbert Espy, general solicitation; James H. Johnson, lists; Kenneth A. Wells, arrangements; Mrs. Courtland D. Perkins, arrangements; and Ivan H. Sublette, treasurer. Church President Albert H. Marckwardt and the Rev. Robert L. Cope will serve ex-officio.

Other committee members are: Mrs. Ivey Allen Jr., Mrs. Elmer Alpert, Chester S. Aronson, Mrs. Enoch J. Durbin, Mrs. Norman H. Fielding, Robert Levitz, William Lieberman, Mrs. Albert H. Marckwardt, Richard C. Mason, Mrs. Marvin R. Reed Jr., Mrs. Benjamin Shimberg, Mrs. Robert C. Sturken, A. Richard Turner and Mrs. George C. Easter.

The advanced gift campaign is now in progress. The general solicitation, opens, probably in October, with a congregational dinner.

UNION SERVICES MOVE To Witherspoon Church. The Rev. Harold Thomas will conduct 8:30 and 10 a.m. worship services this Sunday for the three Presbyterian Churches in Princeton. The services will be held at Witherspoon Street Presbyterian Church for the next three Sundays.

At Princeton Methodist Church, the Rev. Dr. Leon Gibson will preach on the topic "The Present-Hidden God" at 10 a.m. this Sunday.

The Rev. Kenneth S. Dannenhauer returns to the pulpit at Calvary Baptist Church, Walnut Lane, on Sunday at 11 o'clock.

Chapel Assistant David H. Smith will lead the 10 a.m. service at Princeton University Chapel.

The Rev. Miner L. Rogers, who has been attending the Princeton University graduate school, will conduct 11 a.m. morning prayer at Trinity Church, Rocky Hill.

"PSYN & PSYCHOLOGY"

Television Topic. The Rev. Dr. Robert P. Montgomery, chaplain, on the Westminster Foundation at Princeton University, will discuss "Psyn and Psychology" on the CBS television show, "Lamp Unto My Feet," at 10 a.m. Sunday.

ARE YOU NEW TO PRINCETON? You'll find "Almanac for Newcomers" delightfully informative and informative reading. Copies available without charge at TOWN TOPICS, 4 Mercer Street. 924-0711

Obituaries

Salvatore N. Forte, 77, died on August 30 at his home on Cherry Valley Road. He was the husband of the late Mary F. Forte.

Born in Italy, and a Princeton resident for 45 years, Mr. Forte was a retired stone mason for the Matthews Construction Company.

Surviving are two daughters, Mrs. Carmella Areces, with whom he lived, and Mrs. Lydia Vescara of Monmouth Junction; seven grandchildren and a brother in Italy.

Requiem high mass was celebrated in St. Paul's Church. Interment was in the parish cemetery under direction of the Kimble Funeral Home.

Miss Winifred K. Van Marter, 58, of 37 Chestnut Street, died August 8 in Princeton Hospital after a lengthy illness.

Born in Rahway, the daughter of Mrs. T. M. Van Marter of Princeton and the late Henry F. Van Marter, she was a Princeton resident for most of her life.

Also surviving are three brothers, Francis and John, both of Princeton, and Raymond of Blawenburg.

Requiem high mass will be held at 9:30 a.m. this Thursday in St. Paul's Roman Catholic Church. Interment will be in the parish cemetery under direction of the Kimble Funeral Home.

Andrew J. Sexton, infant son of Mr. and Mrs. Harold J. Sexton, Conover Road, Dutch Neck, died on August 5 in Mercer Hospital.

Also surviving are a sister, Mary Christine; his maternal grandparents, William Dubbs of Fayetteville, N. C., and Mrs. Christine Dubbs of Bloomsburg, Pa.; his paternal grandparents, Mr. and Mrs. Harold K. Sexton of Mercerville; his great-grandparents, Harry P. Sexton of Mercerville, Mr. and Mrs. Ward Ritter of Bloomsburg and Mrs. Helen Dubbs of Germantown, Pa.

Dr. Paul D. Keener, 57, formerly of Lawrenceville, died in Tucson, Arizona on August 6.

Born and raised in Lawrenceville, he was a resident of Tucson for the past 21 years. He was a professor of plant-pathology at the University of Arizona.

He is survived by his wife, Elizabeth; and two sisters, Jane D. Keener of Washington Grove, Md., and Ruth D. Keener of New York City.

A graveside service will be held Saturday at 11 a.m. in Lawrenceville Cemetery, with the Rev. H. Dana Fearon officiating. Arrangements are being handled by the Mather Funeral Home.

Sylvester Renna, 70, died on August 2 at his home, 6 Stanley Avenue, after a lengthy illness.

A resident of Montclair for more than 50 years, Mr. Renna retired about six years ago. He was a member of Amerigo Lodge No. 154, F.O.A.M., Newark.

Surviving are two daughters, Mrs. Elaine Soda, with whom he lived, and Mrs. Rose Pappalee of Caldwell, and five grandchildren.

Mrs. Ida E. Rigby, 63, Skillman Road, Skillman, died August 9 in Princeton Hospital. Born in Loodon, England, she had been employed as a nurse at Merwick for the past 12 years.

Mrs. Rigby graduated as a registered nurse in 1922 from the hospital in Newport, R. I., and the following year from the New York Orthopedic School of Nursing. She was a member of Trinity Episcopal Church, Rocky Hill.

Widow of Milton K. Rigby, she is survived by two daughters, Mrs. Frank Gary of Monmouth Junction and Mrs. Walter Morgan of Skillman. The service will be held Friday at 11 a.m. at The Mather Funeral Home, with burial in Newport.

DO AS THE ROMANS DID: Live in splendid ease by the side of an airy, stone-floored atrium whose shimmering pool is just a step from every room in the house. Thesis include: living room with fireplace, dining room, study, deluxe, fully equipped kitchen, 4 bedrooms and 2½ baths, every one of which is paneled in delightfully aromatic red cedar. Built quite recently, the house is set in the midst of a wooded acre on the banks of a well-stocked brook. Carpeting, draperies and all appliances are included in the asking price of **$63,900**

PART OF AN HISTORIC COUNTRY ESTATE: these four acres would make an incomparable lot just for a right house. A gently rolling meadow, a large spring-fed pond, a wild rose hedge and trees of all kinds large and small. Perfect for an imaginative modern house. **$22,500**

GENERATIONS: can live together happily under one roof if sufficient privacy is built into the plan. This Garrison Colonial with its one story contemporary addition could hardly be better arranged for the comfort of a grandparent or any man who comes to dinner. In the main house (which has 3 bedrooms and 1½ baths) a large entrance hall allows direct access to living and dining rooms, kitchen and stairs to laundry and playroom on a lower level. Then, behind the living room, acting both as buffer and connecting link, a small study opens to a wonderful, airy high-ceiling bed-sitting room with its own marvellous bath and private sundeck. Offered for sale at $36,500 or for rent at $275 per month.

DON'T LOSE YOUR COOL: Now that things are stilling and the dog days are upon us, wouldn't you like to have your own backyard spa? In this case it's a lovely, brand new pool secluded behind a handsome screen of rustic, handsplit sapplings. And all is air-conditioned comfort within, where there are 4 bedrooms, 2 baths, living room, large dining room and kitchen. Two car garage, cellar and attic for storage. TREES. Princeton Schools. **$33,900**

A CONTEMPORARY CAPE COD: Although this architect-designed country house decidedly has its roots in coastal Massachusetts, it is not without a very modern flavor. Narrow weatherboard, steeply gabled roofs, slender casement windows and a massive brick chimney are all brought together in an honest contemporary fashion with wide window walls, skylights, etc. It's a big house with 5 bedrooms and 3 baths plus the usual living rooms. 3/4 of an acre with many trees within bussing distance of the Johnson Park School. $57,000

TREES . . . TREES . . . TREES . . . on almost two acres right in Princeton, here are some of the most beautiful evergreens, oaks and other delicious bird sanctuaries that are now growing in a lowe noted for its lovely trees. The house, a custom-built brick and frame one-story dwelling, has foyer, large living room with a brick fireplace wall, dining room, modern kitchen, master bedroom and bath, 2 other bedrooms and bath, and a small den. Downstairs: large recreation room with fireplace. $69,000

ARMOUR ROAD . . . on almost an acre of beautifully landscaped land in one of Princeton's finest locations, this brick and frame residence offers an unusual opportunity to move into one of our most coveted sections. Designed by a modern architect, the house has foyer, paneled living room with fireplace and French doors, leading to a lovely terrace, dining room, kitchen, powder room, den . . . and, for a retirement home, 2 bedrooms and bath on first floor. Upstairs: 3 more bedrooms and bath. Recreation room downstairs. 2-car attached garage. (Sole Agent) $63,500

BATTLE ROAD . . . This is one of Princeton's loveliest streets, and shaded by two huge sycamores, the scene, old, white clapboard Colonial will appeal to you who have long wanted to live in a place like this. Entry hall, living room with fireplace, dining room, screened porch, butler's pantry and kitchen on first floor. Second floor: 5 bedrooms, 2 with fireplaces, and 2 baths. Third floor: 2 bedrooms and bath . . . A large old house, and a gracious one which has served the present owners well for many years. (Sole Agent) $79,500

BRAND NEW . . . charming Colonial homes in a neighboring community less than 10 minutes from the shopping center. Brand new, of course. Large modern kitchen, separate dining room, big living room, panelled family room, powder room, 4 bedrooms, 2 baths. Two-car attached garage. More than an acre of lovely land with a view. Wooded in back of ground. This is your last opportunity to get a brand new house so close to Princeton in our rolling hill country at such a price. $36,900

ELM RIDGE PARK . . . on a wooded acre-and-a-half in this lovely rural residential neighborhood, here is a two-story brick and frame home with 5 large bedrooms and 2½ baths. Only two years old, the home is in immaculate condition. Foyer, large living room with fireplace, screened porch, separate dining room, very modern kitchen with every convenience, paneled family room, screened porch, 2-car attached garage. Custom built . . . truly a lovely home, and beautifully landscaped. (Sole Agent) $62,500

MANOR HOUSE . . . superb old Colonial dwelling only 12 minutes from Princeton. It stands under magnificent shade trees, behind the long driveway that curves up to the front door. Beautiful living and dining rooms, panelled library. Modern kitchen, game room with bar, 6 bedrooms and 4 baths. Plenty of land for privacy — 33 acres approximately. Plus an indoor swimming pool annex, 60 feet in diameter, with a heated pool large enough for a platoon to splash in, and a vast expanse of flagstone with plenty of room to entertain all the guests you can think of. (Sole Agent) $159,500

Many fine homes in Princeton and vicinity in every price range.

This is the site

This might be the house

Since Princetonians are so knowledgeable about these things, it will be good news to a fortunate few (ten to be exact) that these home plots of ½ acre or more are now available. Beautiful homes will be built on them to your order by Ed Sands and Ted Dean whose homes are cherished by their owners all around town. Get aboard . . .

10 reasons why you should buy a home in Wynnewood at Cranbury:

- Wynnewood at Cranbury is a custom-crafted community of thirty lovely homes, set against a backdrop of fine old trees.
- Cranbury is one of New Jersey's few remaining "small-town" towns . . . a real village atmosphere!
- Cranbury is 6 miles from Princeton, 50 minutes from mid-town Manhattan.
- All lots are .. MINIMUM of one full acre.
- Fine school system —including all-new Regional High School.
- Elegance of design is overwhelming!
- Solidity of construction is paramount!
- Every home has the most modern of kitchens with the new Caloric "75" double-oven range and dishwater included.
- All utilities; curbs, walks, etc. are in and paid for!
- Gracious covered portico and full 2-car garages.

There are really hundreds of reasons why you should own a Wynnewood at Cranbury home! See for yourself.

Prices range from **$34,900 to $40,000**

Our Princeton consulting firm specializes in teaching concepts in methods of decision making to high level managers. (Four of the five largest U.S. corporations are steady clients.)

This teaching is done through sets of computer but non-technical management problems.

We need two skilled writers who can help us develop and revise these problems. We have models for you to follow, but you must be able to create high quality new material with minimum guidance. Work can be done at home. At least 20 hours per week required. Tell us about your formal education, writing experience, past experience.
